To the Undoubtedly BEST Videographer in Perth, Sky Scott, THANKYOU from the bottom of our hearts for giving us such special Memories on DVD that will last us a lifetime. the final product turned out to be 100x better and more beautiful than we ever imagined, you captured all the special moments, and so discreetly, we didn't even know you were there until you needed us to know. I honestly cant count the amounts of times we have watched our DVD in the few weeks we have had it, and have had so many compliments from family members on how well it was done.

Thankyou a million times over, We hope 2010 brings you all the happiness and success you deserve. Happy New Year Love Ash and Russell

Hi everyone, just wanted to say that I got married on 2nd January and we had Sky Scott Videography film our wedding, my dvds arrived yesterday and we have watched them 4 times, they are amazing and I am soooooo glad I did it, it brings back so many memories that whizzed past on the day. With the package I chose, I had bridal prep to 10pm filmed plus a highlight clip which is about 4 mins, its on youtube if you want to have a look, Sky is not allowed to use commercial music on the internet so the one on youtube is different to the highlight clip on the dvd, I chose Steer by Missy Higgins for

the dvd clip. Anyway, it was money well spent and if you are trying to decide on whether or not to get a videographer, go for it, you will have it forever!

have. Thank you for making our day so special.

Hi Sky, We received the DVD yesterday.

Ekta & Arman (Las Vegas Package October 2008)

"Dear Sky, From the moment that we saw your demo DVD we knew that we had to have you as our videographer for our wedding! Your ability to capture the moment, as well as your creative direction impressed us both. Thank you for all the time and effort that you have spent editing. Your attention to detail is really appreciated."

Kris and Dave (Hollywood Package May 2008)

"Sky made us both feel so at ease, her sense of fun, whilst maintaining a professional approach at all times, made it so easy to have her there filming our wedding & photo shoot. Sky is a fresh breath of air in the business & we loved having her film our special day"

Susan and Ari (Las Vegas Package February 2008)

"Hi Sky, The video is awesome! It's really something very special to see yourself walking down the aisle and taking those wedding vows. The colour and clarity of your recording are so much better than what an uncle filming the wedding could possibly film. (None of that shaky hand and camera nose diving to the floor either). I love the way you've edited together highlights and created chapters so we can watch selected parts of the day rather than searching through the whole DVD for a particular part.

The editing between shots is superb and professional. I loved what you brought to our day and the shots you set up were great on the video and photos too. It was really special sitting between my dad and husband, squeezing both their hands at different times during our viewing as poignant moments unfolded on the screen. I am so thankful I went with my gut instinct which was to have our wedding day filmed.

No regrets on that one! Love Bec Keshwar"

Rebecca and Adam (Manhattan Package July 2008)

"Sky is professional, creative, highly experienced and will work with you to design a DVD you will be proud to show your friends."

Leanne (Trash the Dress)

"I was recently involved in one of Sky's glamorous 'fashion' film shoots; I've had no previous modeling experience nor did I know what to expect in terms of the actual filming or the finished product... Can I just say that ALL of my expectations were WELL exceeded!! Sky's professionalism and artistic vision during the actual film shoot was outstanding, and her attention to detail in preparing the finished film was second to none. I would have absolutely no hesitation in recommending her videography service to anyone, for any occasion. Trust this woman with your special memories, she will not let you down!!"

Miss Katy Palmer, 25, Perth, WA. (Fashion Shoot)

Sky, you and Charlene did the most awesome job and we've been getting heaps of comments on the photos too! I cannot WAIT to see the footage and post it.... I'm so so glad that we crossed paths and I got to see your work. I'm so excited for the wedding and the fabulous job that you will do!!!! Thank you thank you thank you!!!! xxxxx love
